Attn:    Decision and Certificate of Correction  
         Branch of the Patent Issue Division

Dear Sir:

In response to the Notice dated January 29, 2009, which partially denied Applicants' Request for a Certificate of Correction, Applicants submit the Request for Reconsideration.

The correction of the city of residence of inventor Masato Takai and insertion of the foreign application priority data are requested as indicated on the accompanying Certificate of Correction. A review of the Office's records will reveal that the city of residence of Mr. Takai and the foreign application priority data were correctly indicated on the Application Data Sheet submitted on January 11, 2005, and on the Oath/Declaration of inventors submitted on February 25, 2005. Applicants respectfully request that a Certificate of Correction be issued to correct these errors identified in the above-identified patent as reflected in the accompanying Certificate of Correction.

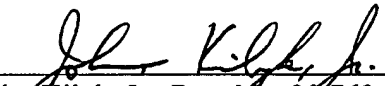

It is believed that there is no charge for this request since Applicants were not responsible for such errors, as will be apparent upon a comparison of the issued patent with the application as allowed.
